

ACCELERATE YOUR GROWTH WITH AFFORDABLE, INDUSTRY-SPECIFIC SAP SOLUTIONS.

You've worked hard to help your company succeed and grow. Yet, there's still more to accomplish. SAP can drive your company's performance with highly scalable solutions that empower employees, increase their productivity, and deliver rapid ROI. With our expertise, your solutions can be implemented quickly with a low total cost of ownership. For all these reasons, 68% of our clients are not global giants, but growing midsize companies like yours.

LEARN MORE ABOUT GROWTH, INNOVATION, AND LEADERSHIP AT OUR WEBCAST FEATURING JIM CARROLL.

Join us for this informative executive Webcast featuring Jim Carroll on Thursday, July 28, at 12:00 p.m. EDT (9:00 a.m. PDT). Jim will present "What Comes Next—Leadership Insight for the High-Velocity Economy." When you attend, you'll also receive a signed copy of Jim's bestselling book, *What I Learned from Frogs in Texas—Saving Your Skin With Forward-Thinking Innovation*. While you're visiting SAPinnovate.com, uncover numerous case studies, testimonials, reports, books, tools, and recommendations—offering solutions that could generate millions in new revenue for your company.
